

Connect to your Vision & Nature

21-23 & 28-30
September 2018
in the Swiss Alps

Get inspired and energized during 3 days in nature:

Uncover your gifts,
skills and strengths

Connect to your vision
of a fulfilling life

Find your path
and pace

Plan, commit and
take the next step

Our ingredients for an unforgettable experience:

Being
in nature

Simple
living

Inspiring
people

Nurturing
food

Active
body

Clear
mind

We will hold the space for you.

Katrin Hauser

Senior sustainability advisor & systemic coach

[Katrin Hauser](#) is always driven by her fascination for development of people and societies. She has 20 years experience as a project and team leader in private industry and international organisations. With her own company Odonata Katrin works as a senior advisor for sustainability and innovation and is coaching teams and individuals who want to impact their future. She is president of [scaling4good](#) and board member of [legacy17](#). She loves to be active in the mountains, where she finds time to reflect and to write novels.

Majka Baur

Entrepreneur & systemic-integrative coach

[Majka Baur](#) is passionate about supporting people to find their own way to feel truly happy and serve the world. She is a social entrepreneur working to ignite and accelerate transformations at an individual and organisational level. Majka's activities included co-founding and leading the social business [WeAct AG](#), writing the book [A Changemaker's Guide to Designing for Behaviour Change](#) and coaching individuals to realize their boldest dreams. Majka believes that nature is a great teacher and loves to spend time kitesurfing & mountaineering.
